## INTRODUCTION

NOMAD Interiors L.L.C is an Interior Design and Build Service Provider Company specialized in residential, commercial and recreational interior design and fit-out décor projects with multi-big ticket projects under its Key Staff and Management belt which allows for **delivering a unique blend of complete harmony between quality and budget.**

**NOMAD Interiors** operates from its Main Office in Abu Dhabi, U.A.E. to serve the market demand in the interior finishing and fit-out, such Services are, but not limited to, Interior Design, Design Management, Special Interior Works Implementation, Management, Value Engineering, Cost and Time Planning.

Furthermore, the company is in the process of establishing its own facilities to manufacture and supply wood works, joinery, and furniture, marble and stone. However, and until such mission is completed,

**NOMAD Interiors** entered into JVs with well reputed local manufactures and workshops which shall provide with our micro management a quality product. **Our professional engineering department** oversees the whole processes and this has made NOMAD Interiors a company that caters to the diverse aspects of the markets.

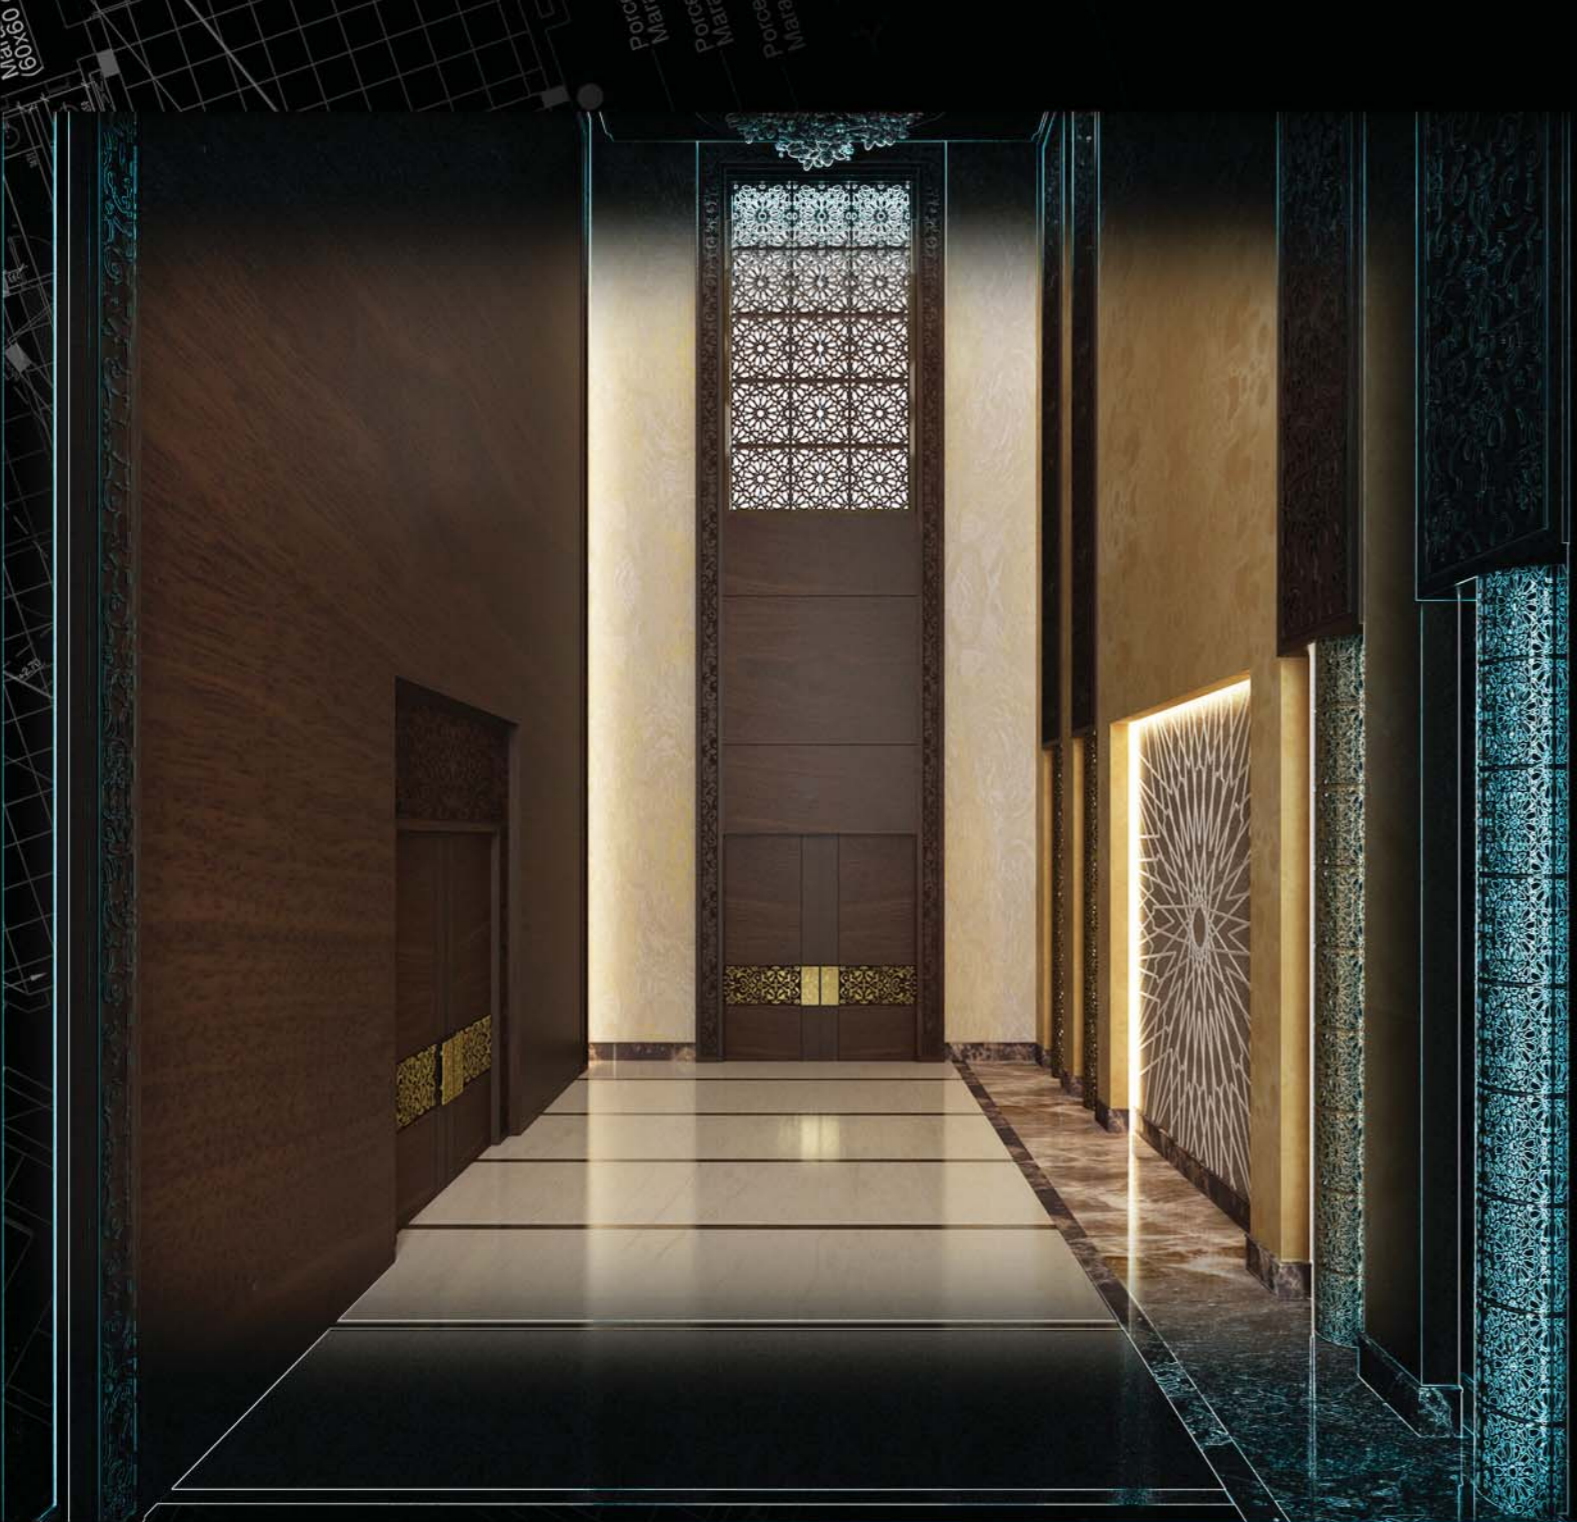

**NOMAD Interiors** has capacity to understand our clients choice and taste and thus with their close collaboration, we convert their dreams into reality by offering a unique and personal touch to the interiors of their project. The interiors designed by NOMAD represent a unique panorama of elegance, style, un-matched designs, diversity and color that are sure to captivate anyone.

**We pride ourselves on the high levels of client satisfaction** and we are there with our clients in every step right from projects initiation till handing over, and such includes helping our clients in purchasing, ordering and overseeing budgets. With the help of our experienced and creative personnel we rally round our clients in building their dream home, offices or commercial project.

We also do **Space Planning, Proportions Study, Renovation and New Construction.** The Company today has earned the confidence of various blue-chip clients through ensuring that open channels of communication are maintained throughout their projects.

Recently established, yet successfully operating throughout the UAE, we at Nomad Interiors pride ourselves in our ability to handle a wide range of interior decoration applications for several types of projects (corporate offices, showrooms, warehouses, private villas, restaurants, banks, etc...) all to the Clients' requirements.

Every design has its own identity, and Nomad Interiors' core target is to bring this identity to life and make it a reality, a living example of our capabilities and ambitions.

Nomad's in-house team retains the technical field and design capabilities that can ensure the execution of your projects to quality standards beyond your expectations, especially taking into account the collective diversified experience that our team retains.

To say the least, every Client seeks individual attention to care for their project, hence our unparalleled commitment to provide the best and most suitable solutions is undeniable.

As a result, we at Nomad Interiors do not restrict ourselves to the contracting or execution part of the Interior Decorations domain; we also utilize our collective experience towards providing complete Design and Build solutions to our valued Clients

## MISSION

“To be the best Interior Design & Build firm in the UAE” is an understatement; we seek to bring your plans / designs to life.

As we believe that Interior Decoration is a *form of Art*, our aim is to provide you with an unrivaled service that focuses on smart designs, functionality and comfort, which translates into success, prosperity and creativity.

*Technology* is an important part of our modern day lives, and we at Nomad Interiors implement the latest technologies in our field to provide our Clients with the desired environments, whether it is a retail outlet, a home, a bank or even a warehouse.

# VISION

*Art of Design is to enjoy*, and we visualize our work as a form of art that has to be realized in order to aid our Clients in bringing comfort, success, enjoyment and prosperity to their projects and environments.

*Art of Execution* is a way of doing business in which companies reward employees based on performance and encourage them to reach their highest level of achievement, and in which contracts are awarded based on safety, quality and value, regardless of labor affiliation.

### INDIVIDUAL SERVICES

Each design and each Client possess an individual identity, that reflects their purpose and goal in life. In this regard, the following are but not limited to individual services we extend to our Clients:

- Acquire Local Authority Approvals, aided with a Nomad Interiors' team member whose sole purpose is to ensure fast tracking such approvals.
- Each project has its own contact that would be responsible to deliver the end product to the Client within budget, on time, and with superior quality.
- Implementing the latest most time efficient application in order to provide our Clients with a hassle free and cost effective process.
- Providing our Client's with progress monitoring tools that allows them being an integrated part of the project development.
- When Green is required, we do our part for the environment through implementing the latest in sustainable environmental solutions.

## RENDERED SERVICES

We aim to achieve, and this is only realized through our tailor made services that answer all your requirements. To name a few, the following are services that we render to our Clients, yet as we said, each project has its own identity and our services are tailor made to suit.

- **Turn Key Packages:** we would make it our mission to provide you with the best turn key solutions that suit your requirements.
- **Careful selection:** no random suppliers or materials; every aspect of your project is studied carefully to provide you with the optimum advantages.
- **One:** the unique number that represents individuality, we believe in this number, and live by it, hence our careful planning for all aspects of our work in order to avoid conflicting timelines.
- **Cost:** our tailor made solutions include the budget aspects of your requirements, where the costs are carefully studied to provide the best outcome within the allocated budget.
- **Time:** we Plan the Work and Work the Plan
- **Innovate:** we believe in the saying “Innovate; do not imitate”, taking us back to the concept of individuality. Nomad Interiors exerts all its efforts and collective experiences into providing you with Innovative Interior Designs and applications that would bring your vision to reality.

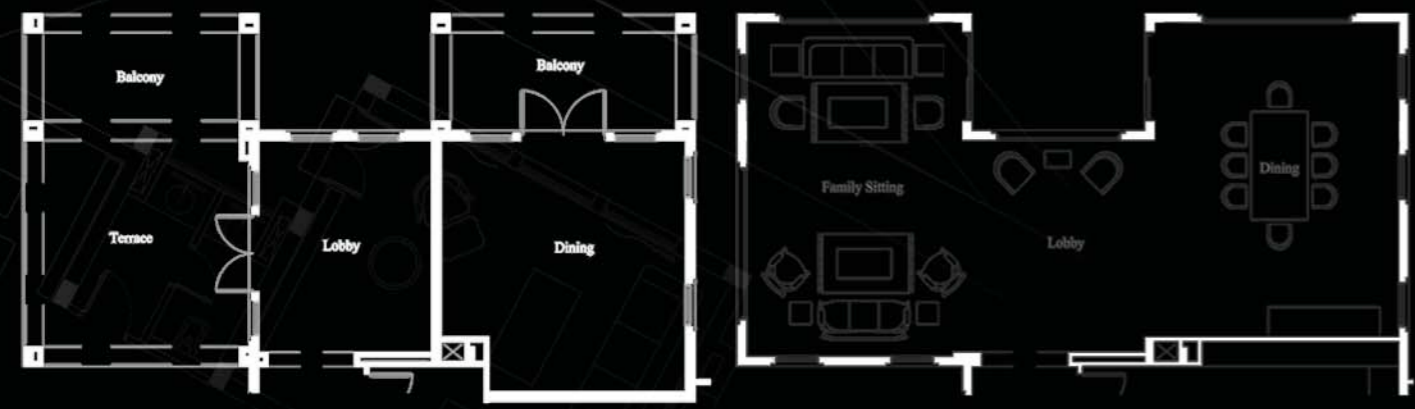

### FOCUS POINTS

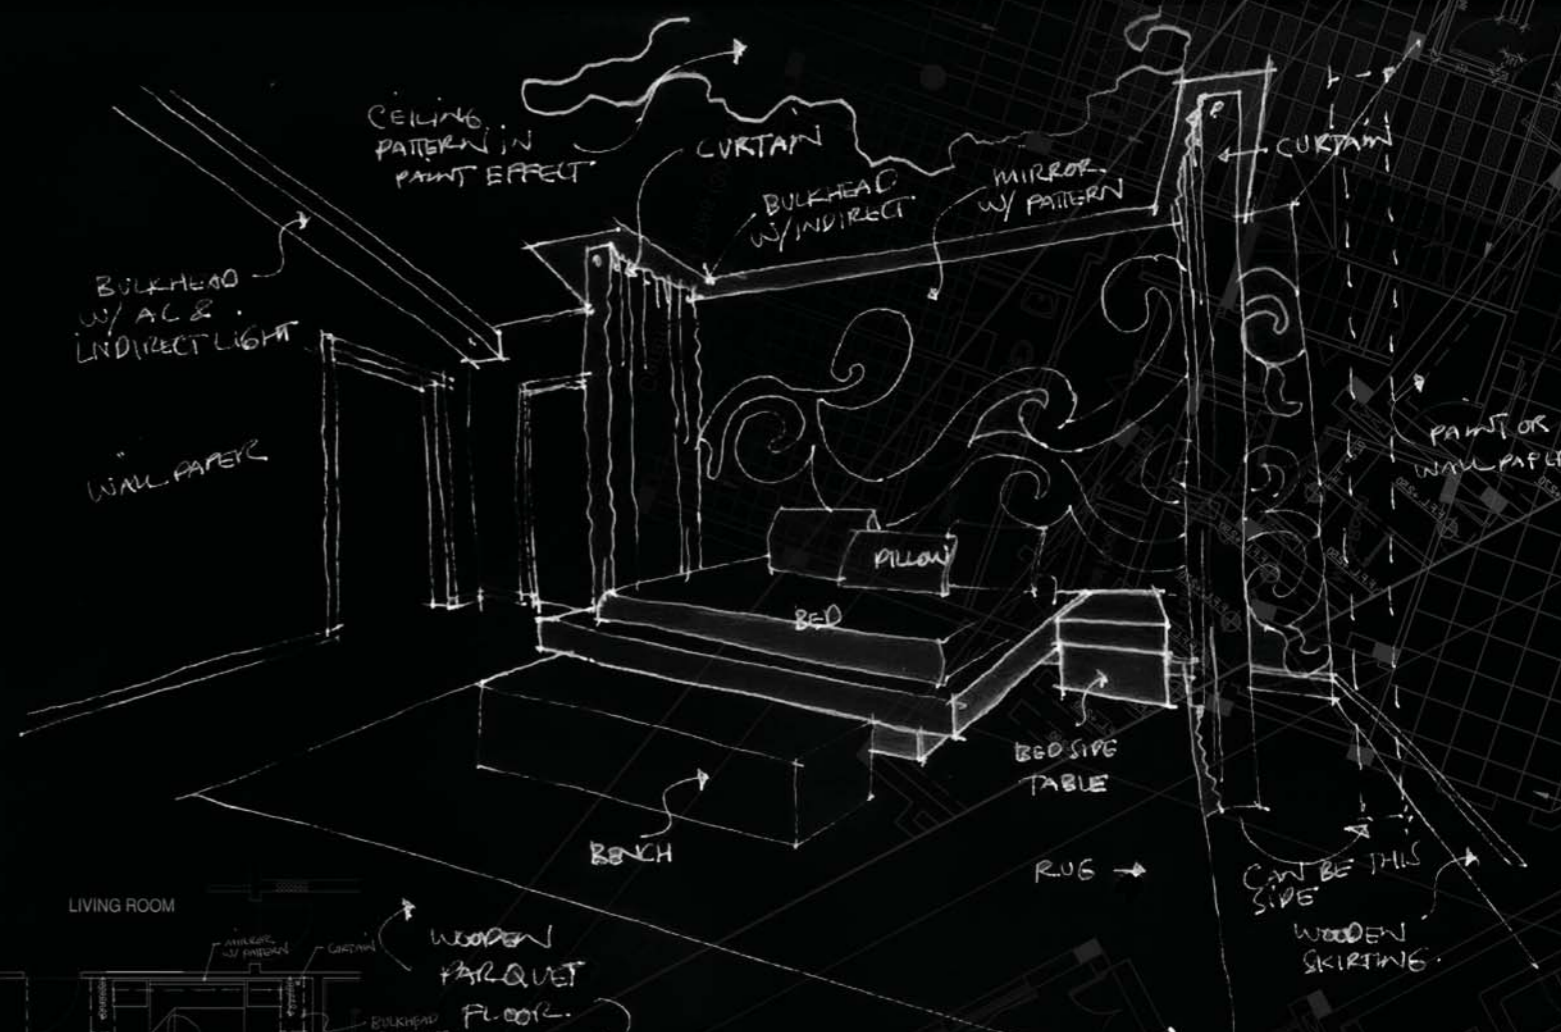

Through our experience, **Cost, Time, Safety and Quality** are the four major sectors that are the main focus of all Clients. Our strong market position is a result of our philosophy towards these sectors.

- **Cost:** Competitively priced materials
- **Time:** experienced in fast track interior decoration and ability to offer 'Turn Key' packages through coordinating between members of construction teams in order to ensure timely delivery of projects.
- **Safety:** The effective implementation and operation of NOMAD HSE policy is kept under constant review by management.
- **Quality:** a strong emphasis on the quality of our products / services to achieve our ambitions and the Client's satisfaction.

## QUALITY MANAGEMENT (QA/QC STATEMENT)

The Management of NOMAD Interiors L.L.C. hereby declare that it is policy to establish, implement and maintain the Quality Management System within the organization with the objective to assure that products and services furnished by NOMAD Interiors L.L.C. are in full conformity with the Quality Assurance Manual, associated procedures and consistent with all contractual requirements.

It is essential for the Company's success and long term prosperity that we maintain an excellent name for quality. The company recognizes that a positive attitude, good coordination between the different sections, personnel and safe working conditions are all essential elements in meeting the needs and expectations of our clients on time and every time.

To achieve complete Client's satisfaction and enhance the confidence and loyalty they place in us, we shall regularly monitor our Quality Assurance and Quality Control System and Procedures all of which are implemented to meet the requirements and policies recognized by International Standards.

We shall insure that this policy statement is understood, implemented and maintained at all levels within the organization.

Managing Director

## HSE POLICY

It is the policy of NOMAD INTERIORS L.L.C that work is carried out in a manner compliant with the United Arab Emirates industrial safety and health regulation, and Nomad Interiors HSE guidelines and procedures.

The effective implementation and operation of the policy is kept under constant review by management.

Within the framework of this policy all employees have a part to play in maintaining the highest standards of health and safety and in achieving full compliance with legal requirements. The basic need is for every employee to take care of himself, his colleagues and member for the general public.

The project manger is responsible for ensuring that all employees receive the necessary training to carry out their duties in a manner compliant with the above regulation and that staff charged with particular responsibilities for health and safety are able to fulfill those duties and obligations.

This policy forms the basis for a reduction in hazards and an improvement in health and safety at work. Its effectiveness will be derived from each individual and combined efforts of everybody to ensure its success.
